## HOLSTEIN - FRIESIAN BREEDERS COP HONORS

Holstein-Friesian breeders in Virginia have come in for a full share of honors from the Holstein-Friesian Association of America.

A registered bull - with the fancy name of Vineland Peanut Ormsby Governor - owned by VPI, has been named a silver medal production sire. Based on the superior milk production of the bull's daughters as compared to their dams, the silver medal honor marks him as an outstanding sire of the Holstein breed. It is, the Association notes, a "highly significant award."

The bull raised the production of his daughters over that of their dams by 20 pounds of butterfat and 130 pounds of milk. The average butterfat production of the daughters was 597 pounds. This bull has now been leased to the Artificial Breeding Association of Rocky Mount.

A cow owned by Rhodes & Whissen, Broadway, has set a new state production record. The cow, Johanna Ormsby Gladys Fay lead for all of Virg 2-year-old Holsteins m daily in the yearly divi ed registry test, with th of 472 pounds of bu 13,744 pounds of milk.

**TEMPORARY CHANGE OF LOCATION**

You have doubtless observed the new addition to the old banking quarters, which is only part of the entire program of improvement and modernization.

Within the course of the next several weeks the present banking quarters will undergo drastic changes, resulting in lowering the floor to the street level and a complete rearrangement of the interior with the installation of new modern low type fixtures.

Increased volume of business for which we are deeply grateful prompted us to undertake the program, and while it is in progress it will necessarily inconvenience our customers. We sincerely hope upon its completion that we may serve you with increased efficiency and that all of us will enjoy the modernized quarters to the fullest extent.

Please bear with us while the work is in progress and if the present building does notlook like business as usual——

# A. H. S. Newscast

Now that spring is officially here, spring fever has taken over at school. Most of us are effected by it but there are still some who are carrying on as usual.

The F. F. A. boys had charge of the chapel program last week. They gave demonstrations on parliamentary procedure and how they conduct their meetings. The S. C. A. also sponsored two movies, "The Value of Education," and "Right and Wrong."

Thursday night at Rustburg the F. F. A. boys gave the same program they gave in our assembly. It was a contest in which they were competing with eight other schools. They won third prize with their program.

Monday night, Thomas Weakley represented the Appomattox Chapter of F. F. A. in a public speaking contest at Pamplin. There were eight boys competing and Thomas won third prize.

Looks like those F. F. A. boys are making all the news this week, and here's a little more. They are sponsoring another one of their famous square dances this Friday night. After the good time we had at the last one, I know everyone will be there.

The annual S. C. A. state convention was held at the Longwood College last Friday and Saturday. Billy Johnston, Betty Faye Burks, Lona Fleshman and Mrs. Cheatham were the representatives from our school. They attended discussion groups on school problems and also heard lectures by noted speakers. They were entertained with a banquet and dance while they were there. All of our representatives felt that they solved many problems and learned much from this meeting. It will be held next year at Mary Washington College.

The Senior Tri-Hi-Y held its regular meeting Monday, which was a business meeting. There was some discussion on a bill to be sent to the model general assembly in Richmond. It was also decided that a talent show would be held in a few weeks to raise some money for the club. The meeting adjourned with the usual Tri-Hi-Y benediction.

The F. B. L. A. held its regular meeting Tuesday. Some plans were made for a dance to be sponsored by the club in the near future. In connection with the dance there will be a contest to choose "Miss Ideal Secretary." The girls elected by the club were Ann Franklin, Peggy Smith, Loretta Doss and Sylvia Burks. The winner in this contest will be crowned at the dance.

We are happy to see Mrs. Morris and all the people who have been ill back in school again. They have all been missed. Mr. Pack has returned from his trip to Florida. Don't you wish all of us could have gone with him?

Due to the bad weather this week there are no sports activities to report on. I know that Coach Bragg and his baseball team are anxious to get back to practice, after this delay.

This concludes our newscast for the week, but I'll be back next week with more of the same.

—PEGGY ELLEN COLE.
